### Church Goal Increases RESTORATION FUND INCREASED

Cost of repairs to the belltower and other parts of the Mattapoisett Congregational Church will exceed expectations by at least \$4,500. and possibly more, church leaders have been informed.

As a result the Restoration Fund goal -- originally set at \$12,500-- has been increased to \$17,000. To date, nearly \$7,000 has been raised for painting and repairing the historical structure, the parish house and the parsonage. At least \$10,000 more is now needed.

Word of the increased costs was received

who recognize the church building as a town landmark.

But, as should be expected, most of the \$7,000 raised to date has come from the contributions of church members and friends and from proceeds of various events staged by church members. In recent weeks, the Noel Coward play, "Fallen Angels", directed and planned by Richard Helfand, increased the fund by \$603.

The Senior Youth Fellowship of the church is planning a Children's Fair and car wash for next Saturday, August 24th, as its major fund-raising events for the project. Both events will be held from 10 A.M. to 4 P.M., the fair on the Center School side of the church and the car wash at the town fire station. Mark your calendars and help to make the fellowship programs a success.

Another committee has been formed under the chairmanship of Malcolm Campbell and is planning for an important auction on October 5th--an event to be accompanied by booths for refreshments, a food and bake sale and a white elephant table. Contributions

### BEACH RULE TO CONTINUE

Al Boucher met with the Board of Selectmen in regard to a petition which would abolish a long standing prohibition of cut-off dungarees at the town beach. Mr. Boucher, beach director, explained that the rule was in effect because of water safety reasons. The Board of Selectmen agreed to continue the dress regulations that have been in effect at the beach for a number of years.

### BAND OUT OF FUNDS

Paul Alves reported to Selectmen that, as of last Tuesday night, the Community Band was out of funds. Selectmen authorized the band to continue for the remainder of the season at an estimated cost of \$400.00 to \$500.00.

Mr. Rogers wrote: "I have been made aware of the Town's interest in a bicycle path which would extend over old tracks of the railroad and along town property. It is my understanding that certain work has been done on this project, and that there is considerable interest in the project being pursued. If you could advise the position to the Board on this matter, I should be happy to make whatever contacts are necessary at the state level, to try to expedite the project."

### MARSH UNCOVERED

The Conservation Commission advised the Board of Selectmen that the spoil placed on the marsh at Aucoot Cove Boatyard has now been removed.

### OPPOSES DESTRUCTION OF TROLLEY UNDERPASS

Iona J. Kunz of 45 Water Street has written Selectmen strongly opposing the proposed destruction of stonework at the trolley underpass at the railroad embankment. She said that the stonework is of historic value and deserves preservation as a feature of the proposed bicycle path. Mrs. Kunz said that she did not know why

# To The People of Mattapoisett:

On Saturday, August 10th, I spoke with George Rogers, candidate for State Senator, and outlined the congested condition of our wharf areas. The overflow of cars and boat trailers, many of which do not belong to the people of Mattapoisett, has created this condition.

Mr. Rogers feels that this is a situation the townspeople need not live with and that a satisfactory solution can be worked out at the state level, either through enactment of legislation or other means which would satisfy the people.

The candidate has pledged to me, that if elected, he would pursue the matter until a solution is found.

I am convinced that George Rogers as our State Senator would be available to provide the personal attention necessary to resolve this problem and I urge you to support his candidacy on Primary Day, September 10th. Mattapoisett needs an effective representative in the State Senate.

Sincerely,

*George L. Henshaw*

### SEWER CONFERENCE

A meeting was held with Richard F. Greeley of the Division of Water Pollution Control to discuss the direction that Mattapoisett should proceed to take. The Water Pollution Abatement Committee, the Board of Health and the Selectmen were present. The two hour meeting covered all points of local sewage disposal possibilities. Selectmen wanted to determine if federal and state participation would be possible if the Water Pollution Abatement Committee conducted a study of a small intown plant. Mr. Greeley said that new regulations require effluent to be treated to drinking water quality. He advocated the regional connection to the Fairhaven plant.

## Letter to the Editor

Yesterday when I did my shopping at the Mattapoisett A & P Stores, in error, I overpaid my bill by \$10.00. Not having discovered it until it was too late to go back, I went this A.M. to explain it. After questioning his records, the manager found the \$10.00 in the register record that I passed thru. In this day of so much dishonesty, etc. I would like to give him a public note of thanks thru your wonderful paper. Thank you.

#### COUNCIL ON AGING

The Mattapoisett Council on Aging held a meeting at the Mattapoisett Town Hall Tuesday, August 13th. The Council had not planned to meet during July and August. This meeting was called because Mr. David Alves, the Director of the Regional Elderly Nutrition Program, wished to meet with the Mattapoisett Council on Aging and explain this federally funded project, and the other services available with it.

The program is a project made possible by the United States Government to provide older persons with low-cost, nutritious meals. The program has been given federal money to serve meals daily to senior citizens of the Greater New Bedford Area in 1974.

The Nutrition Program will work with local Councils on Aging and will incorporate other services. Participants in the program will receive many useful other services at no cost, such as health, nutrition, welfare counseling education, shopping assistant, recreation pro-

grams and transportation service.

Mr. Alves explained how Mattapoisett can participate, if not fully, at least to a good extent and how an application must be filed. Like everything else there are deadlines.

#### ATTENTION SENIOR CITIZENS OF MATT.

The Housing for the Elderly of Mattapoisett has been approved and promises have been made, but as of this writing, no signatures on it.

Mattapoisett is the only town that does not have housing for its elderly. Promises have been broken, forgotten, shelved, tabled. We don't want this side-tracked. Petitions to the Commissioner of Community Affairs are at the Bulletin Board in the Town

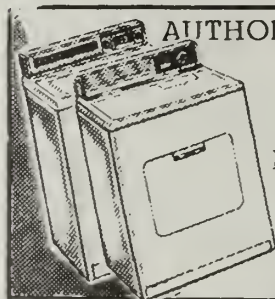

Hall and copies will be in other key spots in town for signatures of every citizen and voter. It states that the citizens of Mattapoisett are tired of waiting for the Housing of Mattapoisett's Elderly and that NOW we want ACTION.

So, now is your Call for Action! Sign the petitions. It's NOW - DO or DIE waiting. Get politically involved. Know every candidate for every office in the Bristol-Plymouth District. Elect the ones who will work for your interests and needs.

Don't make the mistake passing the Primary Day September 10th. That is the important day. It's the winners on that day who determine which candidate will get to be elected November 5th.

It's your vote that will do the trick, the key that will open the door to good government and life for all.

THE ONLY 50,000 MILE GUARANTEE IN  
THE INDUSTRY TODAY

THE MOBIL STEEL BELTED GUARANTEE: Mobil Steel Belted Radial Tires are guaranteed to give 50,000 miles on the original tread. Guarantee applicable only to original purchaser and to vehicle on which tires originally installed. Treadwear indicators must be clearly visible, and guarantee certificate registered with Mobil Oil Corporation must be presented.

This tire is also guaranteed against defects in materials, workmanship, or normal road hazards (such as blowouts or fabric breaks and cuts) which render tire unserviceable, and will be adjusted on tread depth unless Mobil determines defects can be safely repaired.

Tires used on taxicabs, police vehicles, pick-up trucks or other

commercially used vehicles, or if installed in size other than original equipment specifications; or that have irregular treadwear pattern due to mechanical conditions, or loss or damage caused by fire, theft, wreck, collision, running flat, cutting by chains, obstruction on vehicle, or any willful abuse, are excluded from this guarantee.

If a Mobil Steel Belted Radial fails under this guarantee, allowance will be made on the purchase of a new Steel Belted Radial Tire based on Mobil's printed "Pre-determined Price for Adjustment" current at the time of adjustment, which price is intended to fairly represent the actual selling price at the time of adjustment. Liability is limited to replacement of the Mobil Tire.

## Flea Market - Craft Show

ROCHESTER'S "OLD FASHION" COUNTRY FAIR

Plans are in full swing for the Arts and Crafts Show and Flea Market to be presented August 31, September 1 and 2, at Rochester Center. Plans are growing so fast that the promise of fun and action for all the family is taking on the enthusiasm of an old fashioned Fair.

The church Common (Route 105) will be the scene of many Arts and Crafts folk and Flea Market dealers. The three-day affair is sponsored by the First Congregational Church, under the direction of the Ways and Means Committee.

Admission and parking is free. The church restaurant will be featured. Proceeds from the event will aid the church, including the new Mortgage-repair Fund (repainting of church, repairing of church tower, and building garage at parsonage). Victor DeCosta the original Paladin, will appear the first and last days of the three-day celebration.

Some spaces are still available on the Common, under the "Big Top", or in the Vestry.

## Breaks

Editorial, D.C.J.

A series of breaks into churches and businesses continues in Mattapoisett. The Tinkhamtown Helping Hand Society building has been broken into and the electric sewing machine which is the source of all of the many charitable works of the group has been stolen. The Helping Hand Society building has been the victim of a previous raid in which the antique furnishings had been stolen. The break a week ago into the Village Delicatessen was the work of young burglars who took cigarettes, money and lighters. The previous break into the Fish on the Wharf was for cases of soft drinks. Somewhere there are parents who must notice the sudden affluence of their children in goods or money. These parents in shutting their eyes are contributing to the progressive criminal development of these children.

## Statement

### MATTAPOISETT HOUSING AUTHORITY

The Town of Mattapoisett, with a total residential population of 5,237, has had a volunteer Housing Authority for over 26 years. This Housing Authority built and maintains ten single family dwellings, known as Homestead Court. This is the smallest low-income project in the State of Massachusetts.

The funds for the original construction were obtained from the State, but the Housing Authority maintained these homes mainly from the revenue from rent and a small yearly state subsidy. All major repairs, taxes, furnaces, stoves, etc. were paid from this rental income.

The State Department of Community Affairs set a few regulations for the Housing Authority to adhere to, such as income increments for base rents; but, on the whole, they let the local authority use their own discretion as to the management of the project.

Today the picture has changed drastically. The Department of Community Affairs now says we must adhere to their rules, their lease,

their rent controls and all their administration procedures, which are too numerous to mention.

The Department of Community Affairs says the Mattapoisett Housing Authority should rent an office and supply it with a telephone, to be manned full time or else equip it with a tape recorder for messages. Unlike larger housing authorities, Mattapoisett's Board is comprised of four volunteer individuals who are elected by the townspeople, a local state appointed member and a paid part time secretary-bookkeeper.

The Mattapoisett Housing Authority operates on a small budget. Their total maximum yearly rental income is now \$6,500. They utilize a rent-free room for their meetings and if the need arises the secretary can be reached at her home.

The Department of Community Affairs informed the Board they would take court action unless they complied with the DCA's lease for tenants. This lease was modeled for larger housing units, not for ten units. For this reason the Mattapoisett Housing Authority asked for a waiver, but it was denied. The MHA has repeatedly tried to convey to the DCA that some of their regulations and requirements are totally unrealistic and inoperable financially, but to no avail.

March 11, 1974, Brian Opert and Ms. Mary-

Anne Mapes, representatives of the DCA, had an open meeting with the tenants and the Mattapoisett Housing Authority. At this meeting it was advocated by the DCA that the Board request the special funds allocated for low cost housing. This is one of the basic reasons the Mattapoisett Housing Authority has resisted total compliance with the new regulations. This Board did not need these funds under their former method of maintaining the project, but if they follow all the recommendations of the DCA, additional large sums will be necessary. If each and every housing authority in the state complies and utilizes these funds, naturally the DCA's budget will need to be increased next year and this will eventually come from the taxpayer's pocket.

Most housing authorities across the State are now operating on a deficit budget. These deficits are financed by the taxpayers. Each year the DCA continues with their present regulations and requirements, these deficits will increase and our legislatures will be called upon to vote for additional funds to

there a five room house for rent in Mattapoisett for \$33.00 a month?

The Mattapoisett Housing Authority already incorporates the basics of the model lease and they recognize and are negotiating with Homestead Court Tenants' Association..... but, they feel they must protest over regulations like the above which they find most impractical for their small income.

This small Housing Authority is fighting to curtail the generous subsidized funds which are said to be so readily available for low cost housing. They agree that there are projects where these funds are necessary and the circumstances necessitate the utilization of such funds, but at the same time the Mattapoisett Housing Authority feels it is too easy under the present regime, to utilize these funds; whereas with patience, foresight and the return of home rule, the ten homes at Homestead Court could be adequately maintained.

The Mattapoisett Housing Authority strongly recommends more appropriate regulations be formulated for smaller rural authorities; regulations that are both practical and approach reality.

## Museum Special Exhibit

A members' preview August 26th at 7:30 P.M. at the Mattapoisett Historical Museum will open officially a week-long special exhibit by the Mattapoisett Historical Society of recently acquired articles from residents and former residents of the town.

Among them is a set of cabin dishes purchased at auction by Mattapoisett whaling captain Charles F. Keith from a Civil War blockade runner, the British S.S. Cornubia, that he forced aground in 1863 at Wilmington, North Carolina. Changing his mind about setting her afire, Keith, who at the time was acting master of the S.S. James Adger, U.S.N., had her towed to Charlestown, Mass., where everything aboard the Cornubia was

### SEPTIC TANK - CESSPOOL CLOGGING CAN NOW BE PREVENTED!

LIVINGSTON, N. J. — An amazing bacterial discovery that prevents clogging of septic tanks and cesspools with but a single, safe and easy-to-use yearly treatment, has been developed by the FX-Lab Co., Livingston, N. J.

Sluggish systems and drainfields can also be restored to normal by fast acting bacterial cultures.

They are also recommended as a "starter" to seed newly cleaned out or newly installed septic tanks and cesspools.

These proven FX bacterial organisms, known as FX-4 for septic tanks, FX-7 for cesspools, and FX-11 for sluggish septic tanks and cesspools are available locally.

Available also, is a free booklet "The Story of Willie Bacteria, or How To Take Care of Your Septic Tank or Cesspool" from:

### JUNIOR GRANGE MEETING

Mattapoisett Junior Grange held a short business meeting Friday, August 16th, with the worthy master Christine Hubbard presiding. A letter of thanks was read from Mr. Brad Hathaway for the donation sent to the Congregational Church Painting Fund.

Plans were made by the Junior members for an outing when they will go down to the Cape Cod Aquarium. They will leave the

Grange Hall Wednesday, August 21st, at 8 P.M. Mr. and Mrs. William Hubbard and Mr. William Smith will be in charge of the group. They will enjoy lunch on the way, a scenic drive back with an ice cream cone stop.

The trip is from the Juniors' own treasury and is for any member of the Junior Grange.

### CHILDREN'S FAIR AND CAR WASH

While the kids enjoy the fair, Mom and Dad can have the car washed!

This Saturday, August 24th, is the day of the Mattapoisett Congregational Church Senior Fellowship's Car Wash and Children's Fair. The car wash will be held at the Mattapoisett Fire Station and the Children's Fair at the church, both from 10 A.M. to 4 P.M.

There will be puzzles, games, toys, books, and all sorts of children's toys. Games and prizes too! Refreshments too!

Donations of toys and other items would be appreciated so please check around your house. Call Art Blackburn at 758-2347 for pickup or leave them in the Congregational Church office.
